## President's Message

Happy New Year Estabrook/Coleman Place! My wish for the new year is we all start with Good Health for 2022. Last year was very hard for us all. We continue to be positive thru this new year. Last year we had so many tasks to accomplish but due to Covid many tasks did not happen. We had planned some tasks to achieve this month also but of course Covid has taken our "Thunder" for another month. We will remain on our path to achieve our goals. We are staying persistent to resolve concerns our communities are facing. We are working with our city officers to make these plans happen soon. In the Spring we are planning a yard sale. Hoping the wonderful neighbors donate items and their time to make this a success. This is one way we generate funds to continue to maintain "Our" Civic League Building also maintain our website, newsletter, insurance for the building and the grounds. WE SHOULD BE PROUD OF OUR CIVIC LEAGUE. We are hoping to have a MEET and GREET YOUR NEIGHBORS soon. Hope COVID allows this event in the soon months. BE SAFE and GOD BLESS

Carolyn Foca

**FILL A BAG & FEED A FAMILY CIVIC LEAGUE COMMUNITY PROJECT**

The Community Project our civic league recently participated in for Thanksgiving dinner was very successful for both neighborhoods. As of this writing we have given out 28 bags of food. They were split with 14 bags going to Coleman Place Elementary School and 14 bags going to Sherwood Forest Elementary School for the children and their families in need so their families could enjoy Thanksgiving dinner. There were also four turkeys that were given out. A special THANK YOU goes out to Fred Gallup and his daughter Ruth Litton for all their hard work to make this project a success. The families that received the food were grateful and even brought tears to some of their eyes. Thank you to the people from our communities that donated their bags of food and the money so Fred would be able to shop for those who couldn't get out to the store for their donations. Thank you to Diane Lionetti for posting our project on Nextdoor as a way to reach out to more folks to participate.
