Message from the Civic League

Words cannot express the sadness that family and friends share with the unexpected passing of our civic league president Dr. Susan A. Tweed on July 17, 2019. She began her interest in the civic league when she served as 2nd Vice-President for four years, followed with serving as Vice-President for three years, and finally serving as our President for eight years (2012-2019). During her years as president her leadership skills helped form us into a body of people (with her can-do attitude) that learned how to work as a team. Susan is survived by her son, David Tweed; three sisters, Jannette Edwards, Margaret Anderson, and Rose Mary Atkinson; and brother, Paul Atkinson. She retired from Sentara Norfolk General Hospital after a nursing and medical research career of 43 years.

Susan's last project to complete was to have the Little Free Library completed in front of our civic league building for our neighborhood children and adults to enjoy. We will miss your beautiful smile and all your skills that were still waiting for you to teach us.

Annual Estabrook/Coleman Place Yard Sale will be held on Saturday, Sept. 28, 2019 from 9:00 AM – 3:00 PM. In order to make our fundraiser successful each year **WE NEED YOUR HELP!** Now is the time to clean out your unwanted "treasures" to make more room for the holidays coming up. Workers are also needed prior to and the day of the sale to help price, sort, set up, sell and clean up at the end of the sale. Our yard sale is our biggest fundraiser of the year that helps provide the money for maintaining the building. You can contact one of the officers to arrange to drop off your donation at the building. Contact Carolyn Foca at 757-386-1160 for more information

GREEN NOTE by Jeanine Lindberg. Heading into Fall, you can still have a lush, beautiful lawn without using expensive fertilizers or treatments which can harm our waterways. Aerating and laying down a quarter inch of compost in fall (and spring) provides valuable nutrients that keep your lawn healthy. Allowing 5% of white clover to grow adds nitrogen to the soil and eliminates the need to fertilize. Clover also attracts pollinators like bees. Setting your lawnmower at least 2 1/2 " - 3" high protects roots from drying out, helping grass to overcome weeds and pests. If dirt is showing through your lawn, that means roots are struggling to survive in full sun and high heat like we had this summer. Remember that any grass that falls onto the sidewalk or into the street must be swept up and put into a bag for yard waste collection. Lawn debris that goes into storm drains will clog pipes and pumps and could lead to flooded streets.

BUTTERFLY PLANT GIVEAWAY: About 70 butterfly plants were adopted in less than two hours at the Estabrook-Coleman Place plant giveaway on May 18, 2019. Guests were encouraged to take a variety of plants home to attract and nourish many kinds of butterflies and bees. Has the project been successful? Just look around the neighborhood and see all the butterflies that are flitting by.

ADOPT-A-SPOT SATURDAY, OCTOBER 12, 2019 at 9:00 AM: Estabrook and Coleman Place Civic League volunteers will meet at the Estabrook Civic League building (3612 Robin Hood Road) to sign in and get instructions. We'll gather litter from Chesapeake Boulevard and Robin Hood Road through Estabrook. Other volunteers will get litter from Wyoming Avenue and select streets in Coleman Place. If you have a vest from previous litter collections, please bring it along. The clean up usually lasts an hour. New volunteers are always welcome. For more information please contact: jeaninekinberg@hotmail.com

STREET SWEEPING – To support Norfolk's street sweeping crews, follow these simple tips:

- Remove vehicles from the street on your neighborhood's schedule sweeping day. Leaving vehicles parked on the curb during street sweep hours will prevent the sweeper from effectively remove debris.
- Remove any large limbs or other debris that can damage the brushing mechanisms on the sweepers. For Assistance with bulk waste pickup, contact Waste Management at 664-6150.
- Never place yard debris, such as grass clippings or leaves in the street. Aside from this being illegal (it is a violation of Norfolk City Code) the debris can end up flowing into our waterways and contribute to water pollution and flooding.

REMEMBER TO PUT OUT YOUR BLUE RECYCLING BIN EVERY OTHER FRIDAY FOR PICK UP.

Agenda, Sept. 17, Oct. 15, Nov. 19, Dec. 17 Holiday Party

Please join us for information, fellowship, and fun!
